C.A.R.E.4Paws' Mobile Community Medicine & Spay/Neuter Outreach

PET WELLNESS ON WHEELS

Having access to spaying/neutering and veterinary care improves the lives of pets and their people. Yet, for families in marginalized and remote communities, gaining that access is difficult—or often impossible—unless pet wellness services are brought TO a family’s neighborhood.

We invite you to support C.A.R.E.4Paws’ Mobile Community Medicine & Spay/Neuter Outreach program, which works in underserved areas of Santa Barbara and San Luis Obispo counties, curbing pet overpopulation and ensuring pets stay healthy and with their families for life.

13,000

= THE NUMBER OF DOGS AND CATS HELPED IN OUR MOBILE CLINICS IN 2022 ALONE

150%

= THE INCREASE IN CRITICAL MOBILE PET WELLNESS SERVICES PROVIDED SINCE 2019

Our free and low-cost services include:

-  Walk-in Pet Wellness Clinics with vaccines, flea treatment, dewormer, microchips and nail trims
-  Spay/neuter surgeries
-  Dental care and mass removals
-  Wellness exams and bloodwork
-  Treatment for wounds and skin, ear and eye infections
