

# Letter of Intent for Estate Gifts to C.A.R.E.4Paws

Since 2009, C.A.R.E.4Paws has addressed the needs of pet families on the Central Coast. We provide critical resources to low-income, senior, disabled and unhoused community members to reduce pet overpopulation and ensure that animals stay healthy and with their families for life. We also offer humane education—because it’s our youth that will shape the future of animal welfare. C.A.R.E.4Paws assists more than 25,00 animals and their families annually, and the need for our support increases significantly every year.
