

HELP CREATE A REFUGE FOR ANIMALS IN NEED

C.A.R.E.4Paws is fundraising for our region's first confidential **Pet Refuge** to provide emergency boarding for dogs and cats whose families are navigating critical life transitions, including escape from domestic violence, deportation or displacement due to fires and other disasters. Our goal is to reunite families when the time is right.

"Because of C.A.R.E.4Paws, our dog Maya's story is one of reunion, not surrender. The loving foster home and enormous amount of help provided gave us hope, time and the chance to keep our family together during a lengthy housing transition. We are forever grateful!" —The Vega Family

KEEPING PET FAMILIES SAFE AND TOGETHER

C.A.R.E.4Paws provides critical support for thousands of pet families on the Central Coast. We are not a rescue group or shelter. Instead, our mission is to prevent pet homelessness and suffering by offering a safety-net of services.

Our Pet Refuge involves the creation of a state-of-the-art, 10-bay dog kennel structure and the construction of an adjacent, 40,000-square-foot dog exercise yard. We will house cats in cozy rooms in a separate, quiet building. The location will remain undisclosed to protect the pet families we are helping.

If you would like to sponsor and name a kennel or contribute toward the project in other ways, please see below!

Together will we save lives!
